

ARCTIC ADVENTURE - HOME ACTIVITY _ SNOWFLAKE MOBILE

For our Arctic Adventure, we made a fab mobile which you can replicate at home - they are easy to do and if you have older siblings, why not get them involved with making them - they will love making something for baby.

You will need:

- *Scissors*
- *String*
- *Snowflakes (I used foam shapes, but you could cut these from card and colour them in, or just use blue / white card)*
- *Hole punch*
- *Stick or garden plant support ring to use for top of mobile*

How to make your Snowflake Mobile

- *If making the snowflakes, cut them out of card.*
- *Make a hole in each snowflake*
- *Cut a number of lengths of string to fasten snowflakes to plant support / stick*
- *Tie one end of the string to the snowflake and the other ends to the plant support / stick*
- *You're now ready to use your Mobile!*
