

Twistin Tinies Kit Bag of Props

Due to Coronavirus, at present we are no longer able to share all our props every week at classes. We will still be using a lot of props, but we need you to bring them with you each week and be responsible for keeping them clean.

We may have some props weekly that we do share and which are then quarantined before being used again. In addition, depending on our Class Theme for a particular week, your Class Leader may ask you to bring in additional items some weeks.

The props that are used regularly can either be brought in from things you have at home, or purchased / hired from us and brought with you to class each week in your Kit Bag.

The items included in the Kit Bag are shown below. *(If you prefer to bring your own, we have even shown you how to make some of the props.)* If you are signed up for Online Only sessions, you can still purchase a Kit Bag if you would like one**.

The items in the Kit Bag are as follows*:

1 x large pom pom

2 x plastic cups

2 x Hand bells

2 x Wiggly Woo socks

2 x Scarves

1 x hand rattle

2 x Wiggle Sticks

1 x feather

1 x foil blanket

2 x egg shakers, 1 x ball (not shown)
