

SAFARI THEMED SESSION

Crocodile Song – Little Baby Bum Nursery

Props – Wooden castanets for children, crocodile puppet for class leader

Learning Outcomes

- Focusing listening skills as children match rhythm of song to shaking of castanet
- Matching rhythms to a tune – speech and language development
- Gross and fine motor skills when holding castanet
- Co-operation when putting castanets away
- Meeting the crocodile – learning about crocodile

Activity

- Children all have castanets
- Wave, shake etc in time to the music
- Class leader calls out instructions on what to do with castanet, i.e. shake fast, shake left and high, shake up in the air etc
- Class leader takes crocodile round to see children
