

SAFARI THEMED SESSION

Sammy's Safari by Kids Now

Props – Wiggle Sticks

Learning Outcomes

- Listening to and responding to instructions
- Gross motor skills
- Co-operation when putting sticks away

Activity

- Children all have two sticks
- Wave, shake, clap in time to the music
- Class leader calls out instructions, children respond

This song is quite short, so you may like to run it twice to give more time to the activity. This may be decided by the number of attendees – if a busy class may not be time, but if low on numbers probably a good idea to play the song x 2.
