## Twistin' Tots has been successfully running music and movement classes for over 16 years. We also offer parties.

Whether your child is a baby turning one, a toddler who won't sit still, or an older child at school, we can entertain them! **At our parties, the emphasis is on fun, fun, fun!**

We offer you a variety of packages. Music sessions can be for either 45 minutes or one hour (longer sessions by arrangement), and can be combined with party games (either run by us or you), depending on the age of your child.

Certain packages are better suited to certain age groups, but no-one knows your child better than you, so you select the package which is right for you and your child/ren.

**Whichever option you choose, we guarantee that your children will have a great time and won't want their party to end!**

**"Really pleased with the lovely people at Twistin Tots. Poppy loved our own private TT session, and so did the other children at the party! I would certainly recommend them. Thanks Jacqui, and of course Lisa who was fab!! "**  
***Claire Dunster on daughter Poppy's 3rd birthday***

**"Thanks Jacqui the party was great! Everyone enjoyed it and it took the stress away from me. Thanks again! "**  
***Chelsey Higham on Matilda's 3rd birthday,***
