

CHRISTMAS ADVENTURE – TINIES

Penguin Rock – Gigi and the Lend me a Hand Band

Learning Outcomes:

- Visual tracking as babies watch the penguins bounce up and down
- Socialisation as babies watch other parents and babies around the parachute
- Black and white contracts provide great contrasting visual stimulation for babies as they can track the colours

Activity:

- Parents space themselves out around the parachute and penguins bounce up and down while parents bounce the parachute
- Put babies where they can see what is going on
- If babies can hold the parachute, let them!!
